Indonesia – Japan Autoparts Business Forum

- A platform to interconnecting Japanese manufactures with Indonesian qualified local partners
- Nagoya, 27 June 2022 at 13.00 – 17.00 JST

The Importance of Indonesia's Automotive Sector

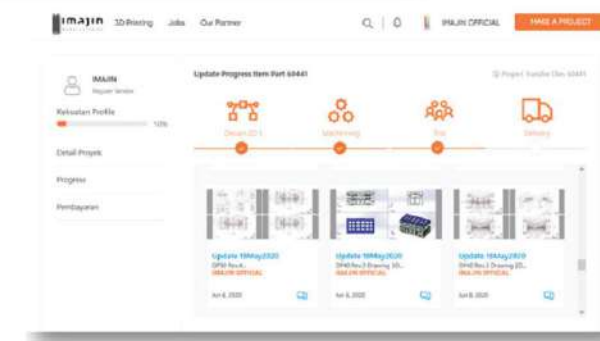

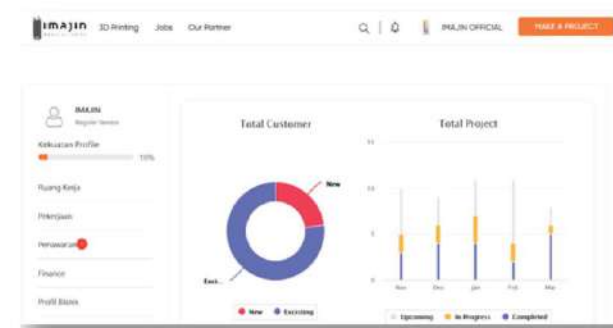

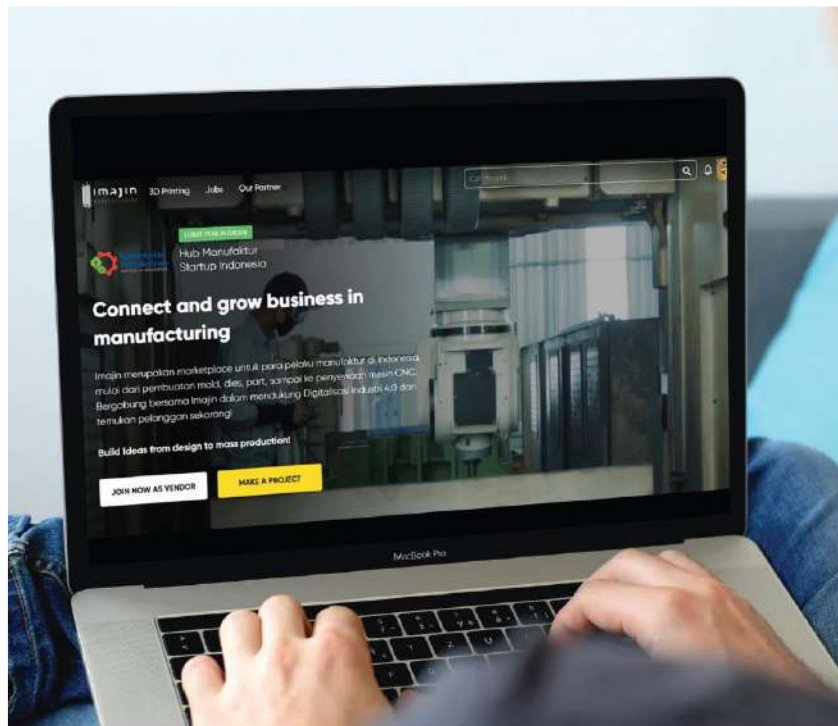

Ministry of Industry will focus on 35% import substitution

- Bolster **self-reliance** and promote the domestic industrial sector, including on **autoparts**
- Cut down imports of products with high values, i.e **machinery, automobiles, metals, electronics, electrical equipment** and **metal products**

Autoparts Biz Forum: Connecting to Indonesia's Creative Manufacturing Ecosystem

IMAJIN

The Embassy is supported by **IMAJIN, Indonesia's local manufacturing hub** that offers a wide range of services (from mould and dies making, custom parts, metal stamping, fabrication and special-purpose machining) through digital platform
